SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicants' acknowledge with appreciation a brief telephone conversation between Applicants' undersigned representative and Examiner Le on October 14, 2005. The purpose of that conversation, initiated by Applicants' undersigned representative, was to bring U.S. Patent No. 2,695,368 to Examiner Le's attention. Examiner Le agreed that if Applicants would file a supplemental Information Disclosure Statement citing the above-mentioned patent before payment of the issue fee, he would consider it on the record.

Accordingly, Applicants herewith submit an IDS Form PTO/SB/08 listing the above-mentioned patent and respectfully request that Examiner Le consider the listed document, indicate that it was considered by making appropriate notations on the attached form, and mail Applicants a copy of the notated form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitute "prior art." If the Examiner applies the listed document as prior art against any claim in the application and Applicants determine that the cited document does not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
